

Translator/Interpreter for English, French and Amharic

For a three year cooperation project between GESAMTMASCHE, the Ethiopian association ETGAMA and the Ministry of Agriculture of Ethiopia, funded by the German Ministry of Economic Cooperation and Development, we are looking for a **freelance translator with excellent language skills in French, English and the national language Amharic.**

You should be willing to travel, as the assignments take place in the cotton growing areas in the south of Ethiopia.

Workshops and conferences will also be held in Addis Ababa on occasion. It is important that you are good in synchronised translation. A good knowledge of cotton farming and the specific vocabulary in this field is desirable.

Implementation period: February 2024 – December 2026.

Please send your application with CV and daily fee by 31 December 2023 to:
